

February 16, 2009

Honorable Members of the Housing Committee:

This letter is to verify my wholehearted support for Proposed Bill No. 5978 and 5979. I wanted to attend this very important hearing in person, but I could not leave work.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Mucha". The signature is fluid and cursive, with a large initial "B" and a stylized "M".

Brian Mucha
